The Beginning of Our Lenten Journey

Our Lenten journey begins with a recognition of our own sinfulness, just as Zacchaeus recognized his. He promised to make restitution by giving half of his wealth to the poor, and by paying to those he had falsely accused four times as much as they had lost. In this, he went beyond the requirements of the Law. The example of Zacchaeus teaches us that we should turn away from our sins and atone for them. The real proof of our sorrow and repentance is not just a verbal apology, but when we correct ourselves and try to make amends for the consequences of our evil actions.
